RE: APPRECIATION LETTER FOR SPONSORSHIP

Dear Representative

#Give them a purpose would like to thank you for the opportunity and privilege for accepting our proposal and helping to sponsor it. Our organization appreciates your efforts put in helping the day to be a success.

#Give them a purpose is a non-profit organization providing transformative social development solutions to children and youth and helps meet their basic needs and to expand their opportunities to reach their full potential. We are currently helping students with tutoring, self-development workshops and also helping those in need with food, dignitary packs and uniforms.

The reason we are writing to your organization is we would like to thank you for helping #Give them a purpose with the Christmas Party event that took place on December 02, 2022. **JMP SECURITY SOLUTIONS** has been a huge help to us and to the kids with offering your donations, transport services and VIP travel solutions, the day was not going to be successful as it was if it was not because of your help.

We really appreciate your efforts, and should you find yourself in space of wanting to help in future in any way possible please do not hesitate to do so donations/support/contributions are always welcomed.

Thank you so much for the efforts put into this event and keep up the good work. God bless you and may he grant you 80+ blessings.

Attached to this letter, are photos of how the day unfolded on December 02, 2022. Should you require any photos or videos sent separately to this letter please feel free to do so.
